Sierra –

Thank you for the details and offer to connect to the meeting with Crestwood. I am copying our Enforcement Director, Suzanne Bohan and our NPDES Enforcement Unit chief, Gwen Campbell so they can respond to you directly about connecting to this meeting.

Subject: Crestwood Spill Meeting on Tuesday Morning

Hello Ms. Beeler,

I am one of the environmental consultants with WHPacific in Bismarck who is working with the Three Affiliated Tribes Department of Natural Resources on the Crestwood produced water spills. I believe you met my associate, Casey Storey in Bismarck at the federal partners meeting two weeks ago. There is a meeting that Crestwood has called tomorrow morning in New Town to discuss the status of their remediation projects and George Abe, the Natural Resource Director for Three Affiliated Tribes and I would like to make sure that all of the agency representatives are involved. Will you be attending? If you cannot attend in person, I can call you in on my cell so that you can participate. The meeting is at ten am Central time and I am guessing it will last at least an hour, possibly two. If you would like to leave me a number where I can reach you, I can call you in. My cell number ("direct") is also listed below. I may have limited access to email tomorrow, as I will be travelling to the meeting from Bismarck, so cell phone is probably the best way to reach me.

Sincerely,

Sierra
